SUBJECT INDEX FOR VOLUME 11

A

Adaptive management
in impact mitigation procedures, 54
Administration
of environmental impact assessment, 152
Agroecosystems
Environmental Monitoring and Assessment Program
indicators for, 98
Air pollution
in Pikes Peak region of Colorado, 30
Alaska Forest Practices Review
overview of, 311
American Samoa
environmental assessment procedures and issues in, 146
Aquatic fauna
pesticide effects on, 264
Arid lands
Environmental Monitoring and Assessment Program
indicators for, 98
Assessment
as major task in knowledge-based system design process, 20
Australia
environmental assessment procedures and issues in, 143

B

Bacillus thuringiensis
in biological control of pests, 270
Belgium
environmental impact assessment in, 157
Biological control
of pests, 268
Book Review
Integrated Pollution Control in Europe and North America, 89
Building permit
for new Belgian industrial plants, 160

C

California
pest control strategies in, 259
California Environmental Quality Act (CEQA)
mitigation requirements under, local government implementation of, 53
Canada
changing impact assessment provisions in, 5
environmental indicator development in, 96
Garrow Lake in, 172
James Bay Hydroelectric Megaproject in, 171
public participation in environmental impact assessment for Hydro-Quebec projects of, 353
Carbon monoxide standards
of Clean Air Act, 30
Carcinogenicity
of pesticides, 261
Chemocline abundance
of phototrophic bacteria, 175

China
environmental assessment procedures and issues in, 149
pesticide poisoning in, 276
"Citizen" attitudes
in determination of public policy, 35
Clean Air Act
carbon monoxide standards of, 30
Clean Air Team
formation of, 30
Colorado Springs, Colorado
public opinion data for environmental decision making and, 29
COMINCO
mine tailing discharge into lake by, 173
Community advisory committee
Resolve Superfund Site Cleanup and, 181
Community decision-making
in siting waste facilities, 231
Community image impact management methods
schematic representation of, 243
Conceptualization
as major task in knowledge-based system design process, 15
Consultants
environmental assessment, 12
Cook Islands
environmental assessment procedures and issues in, 146
Costa Rica
pesticide poisoning in, 267
Costs
of pesticides, 265
of project-based environmental impact assessments, 155
Council on Environmental Quality (CEQ) regulations
interdisciplinary approach to environmental impact studies specified in, 375
Crop mixing
as pest control strategy, 272
Cumulative environmental impacts
defining and analyzing, 297

D

Decision makers
education of in environmental impact assessment process, 150
Denmark
environmental indicator development in, 96
Developing countries
transnational corporations in, 81
Dispute management
using environmental impact assessments for, 81
Dual-influence system
for environmental impact assessment, 353

E

Ecodiplomacy
attempting a definition of, 198
Economic indicators
development of, 99
Enforcement
of environmental impact assessment, 152
Environmental Monitoring and Assessment Program (EMAP)
of U.S. Environmental Protection Agency, 97
Environmental Permit Decree
implementation of in Belgium, 162
Environmental protection
public support for, 32
Environmental Protection Agency (EPA)
Colorado Springs anti-air pollution campaign and, 30
environmental indicator development by, 96
Environmental Monitoring and Assessment Program, 97
Office of Research and Development, 99
Resolve Superfund Site Cleanup and, 181
water pollution assessment by, 265
Equipment
for environmental impact assessments, 155
Ethical factors
in environmental negotiation, 197
Europe
environmental impact assessment in, 158
integrated pollution control in (*book review*), 89
European Community Council Directive (85/337/EEC)
requiring national environmental impact assessment legislation, 157
Evaluation
of environmental impacts, 154
Exploitation permit
for new Belgian industrial plants, 161
Exposure indicators
overview of, 98

F
Fauna
pesticide effects on, 264
Fiji
environmental assessment procedures and issues in, 146
Finding Of No Significant Impact (FONSI)
availability of for public review, 55
Finland
environmental indicator development in, 96
Food and Agricultural Organization
in integrated pest management program implementation, 275
Forests
Environmental Monitoring and Assessment Program
indicators for, 98
Formalization
as major task in knowledge-based system design process, 17
France
environmental indicator development in, 96

G
Garrow Lake, in Canadian high Arctic
failure of environmental impact assessment to predict impact of mine tailings on, 172
Geothermal energy development
development and use of, on Island of Hawaii, 333
Germany
environmental indicator development in, 96
Gross National Product (GNP)
as economic indicator, 99
Malaysian, 140

H
Habitat indicators
overview of, 98
Handbooks
environmental assessment, 12
Harvesting procedures
in pest control strategy, 272
Hawaii
environmental impact statements in, 103
geothermal energy development in, 333
Health effects
of pesticides, 261
High Pollution Watch Days
initiation of, 30
Hong Kong
Indonesian investments of, 82
Hydro-Quebec projects
public participation in environmental impact assessment for, 353

I
Iceland
environmental indicator development in, 96
Identification
as major task in knowledge-based system design process, 13
Impact management priorities
in siting waste facilities, 231
Impact mitigation
overview of, 54
Implementation
as major task in knowledge-based system design process, 17
Implementation theory
variations in mitigation behavior and, 55
Incinerator exhaust gas emission impact management methods
schematic representation of, 243
India
environmental assessment procedures and issues in, 148
Indicators, environmental
need for, 96
Indonesia
environmental assessment procedures and issues in, 148
environmental impact assessments for dispute management in, 81
integrated pest management in, 276
Inland surface waters
Environmental Monitoring and Assessment Program indicators for, 98
Integrated Monitoring Programme
Scandinavian, for upgrading of existing environmental statistics, 96
Integrated pest management (IPM)
ecological impact assessment and, 257
Integrated pollution control
in Europe and North America (*book review*), 89
Interdisciplinary teams
in environmental impact assessment, 375

J

James Bay Hydroelectric Megaproject
environmental impact assessment failure and, 171
Japan
Indonesian investments of, 82
pesticide-induced deaths in, 264

K

Kenya
Tana and Athi Rivers Development Authority in, analysis of, 203
Kiambere Dam
environmental impact assessment for, 219
Knowledge-based systems
for environmental impact assessment review, 11
Korea
Indonesian investments of, 82

L

Land fauna
pesticide effects on, 264
Landfill leachate impact management methods
schematic representation of, 242
Lead discharge
impact of on hypersaline lake, 172
Legislation
environmental impact assessment, 152
Literature
environmental assessment, 12
Local expertise
necessity of in conducting environmental impact assessment, 154
Loss reduction value exceeds compensating gain value
graphic representation of, 234

M

Mail survey
implementation of mitigation requirements of California Environmental Quality Act assessed via, 56
Malaysia
environmental impact assessments in, 129, 148
Indonesian investments of, 82
Masinga Dam
environmental impact assessment for, 208
Mediation, environmental
state-sponsored, 311
Mercury contamination
effects of, 171
Mine tailing discharges
impact of on hypersaline lake, 174
MITDES constructed variable
in assessment of mitigation requirement implementation in California, 63
MITENF constructed variable
in assessment of mitigation requirement implementation in California, 64
Mitigated Negative Declaration
under California Environmental Quality Act, 55
Mitigation requirements
under California Environmental Quality Act, local government implementation of, 53
Monoculture crops
pest control in, 271
Munyu Dam
environmental impact assessment for, 213
